Design and Manufacturing

A silver JAC T9 Frison 2x pickup truck is shown driving on a road during sunset. The truck is viewed from a front-quarter perspective, moving towards the right. The background features a blurred cityscape and a large, modern building with a curved facade. The sky is a mix of orange and blue, with the sun low on the horizon, creating a lens flare effect. The truck has 'JAC' branding on the side and 'FRISON' on the front bumper.

CRAFTED FOR EVERY DRIVE

The JAC T9 Frison 2x is crafted for those who move with ambition and style. Built to glide through urban roads with ease, it combines the commanding presence of a pickup with the comfort and refinement of a modern city vehicle. From daily commutes to weekend escapes, this on-road powerhouse makes every journey smooth, smart, and effortlessly premium.

EFFORTLESS CONVENIENCE

Multi-Functional Steering Wheel

Heated & Powered Seats

Multi-Purpose Infotainment System

Armrest Box With Cooling Air Vent

Wireless Charging

Electric Sunroof

The image shows the front interior of a JAC car. The dashboard is dark with a large central touchscreen displaying a colorful infotainment interface with navigation, music, and phone icons. The steering wheel is black with silver accents and the JAC logo. The center console has a gear shifter and handbrake. The seats are black with a quilted pattern and red stitching. The background shows a city skyline with various skyscrapers under a clear blue sky.

PRIME LUXURY

An interior that blends comfort and practicality with spacious seating, premium finishes, and modern styling. Smart infotainment, climate control, and ample storage ensure a relaxed, connected drive for both daily use and long journeys.

BEYOND **ORDINARY**

The JAC T9 Frison 2x combines power with intelligence. Its adaptive headlights and rain-sensing wipers enhance safety and convenience, while the cabin features a 7-inch digital cluster and a 10.4-inch touchscreen for seamless control and entertainment, making every drive smart and effortless.

Electronic Stability
Control

Traction Control

The JAC T9 Frison 2x prioritizes safety with a high-strength body, 6 airbags, and a Tire Pressure Monitoring System. It includes driver aids like front and rear parking sensors, EBD, ABS, and a 360-degree camera. Advanced features like Adaptive Cruise Control, Electronic Stability Control, and Traction Control contribute to its expected ANCAP 5-star safety rating.
